

ARKANSAS DEPARTMENT OF ENERGY AND ENVIRONMENT – DIVISION OF ENVIRONMENTAL QUALITY  
 REGIONAL SOLID WASTE PLAN UPDATE

<b>Name of Regional Solid Waste Management District:</b>	<u>Reporting Period</u> September 1, 2019 – December 31, 2022
--	--

**A. COLLECTION**

1. Weekly curbside/roadside and/or drop-off collection services should be made available for all household solid waste for residential dwellings within the state by city, county or private collection:

List or attach city, county, or private collection offering weekly curbside/roadside and/or Drop-off collection services for residences:

-Carroll County Regional Solid Waste Management District offers curbside and drop-off collection services for residences.

2. A minimum of semi-monthly yard waste collection services should be provided for all residential dwelling within the state. Collected yard wastes must be managed at a Class CY compost facility or an alternative approved pursuant to Ark. Code Ann. §8-6-220 (b). Each district should include the schedule of implementation within its solid waste plan, beginning with the larger cities:

Attach your schedule of implementation for semi-monthly yard waste collection.

- Berryville and Eureka Springs has monthly service. Eureka Springs has 1x/month curbside pickup.

List Class CY compost facility involved.

- Eureka Springs has a compost facility

3. Collection services or a suitable alternative (transfer stations or community based drop-off locations) for bulky items should be made available for all residential dwellings within the state. Implementation of the program should be included in each district’s plan and be based upon population:

What collection services or collection alternatives are set up for bulky items?

- CCRSWMD has a Transfer Station in Berryville for bulky items for a fee. Every year CCRSWMD has a county cleanup for residents of Carroll County to dispose of bulky items at no charge.
- Customers of CCRSWMD can also put most bulky items at curbside on their trash day and have it disposed of at a cost.
- CCRSWMD also has a Recycle Center where Electronics and scrap steel can be dropped off. Some items have a fee.

**B. DISPOSAL**

1. Evaluate the disposal capacity of permitted landfills. Establish a seven-year minimum of disposal capacity for each district. If a district has no existing Class 1 landfill or has a facility with less than seven years' capacity, it can partner with an adjoining district or neighboring state to offer low cost disposal for their residents:

How much disposal capacity is available in your District?

- CCRSWMD has a contract with Waste Management Eco-Vista in Tontitown

2. Evaluate the waste stream in the geographical area of each district through an annual waste audit. Develop a business plan for the diversion and recycling of waste based on the audit results.

Has your district conducted an internal or external waste audit? Yearly recycle report filed with ADEQ shows us the total amount diverted from the landfill.

What conclusions did you find?

Submit your District's business plan for diversion and recycling. CCRSWMD has a mobile Recycle Classroom that goes to area schools and businesses to teach about recycling.

3. Districts have to establish a household hazardous waste program (either permanent sites or collection events) within their boundaries. This action item is currently mandated by Ark. Code Ann. §8-6-714 (a)(1)(B)(ii) for districts that charge up to \$2 per ton under the authority of that same provision and is a goal for districts that do not access this fee.

Does your District access the \$2 fee under Ark. Code Ann. §8-6-714? Yes

Do you have a household hazardous waste program? Yes

List any special household hazardous waste events in your area, dates and location.

- CCRSWMD Recycle Center is a drop off for hazardous waste.

C. RECYCLING

1. All municipal waste recycling programs should evaluate the economic viability of accepting the following items: paper products including new print, cardboard, white office paper, mixed paper, magazines, junk mail catalogs, phone books, boxboard and chipboard; metals, both steel and aluminum cans; plastic - #1PET, #2 HDPE and others where possible; clear and colored glass (no window glass, glass ceramics, light bulbs or ovenware); and white goods (large residential appliances):

Attach an addendum listing District recycling drop-off locations with the types of items accepted at each.

- See attached sheets from website

What recyclable materials has the District started accepting this reporting period that it didn't accept before this reporting period? n/a

Has your District stopped accepting items that it previously collected? If so, what items? n/a

2. All incorporated cities with a population of 5,000 or more will offer residential curbside recycling. Communities of this size must work with the districts to make available convenient opportunities for commercial and multi-family recycling. A minimum of semimonthly collection services or a suitable alternative system (e.g. transfer stations) for recyclable material collection should be made available for all residential dwellings within the state. Cities should be required to implement a curbside recycling program, beginning with the most populated cities and eventually including cities of all sizes. The implementation schedule should become part of each districts plan.

List the cities in your district that offer residential curbside recycling?

- CCRSWMD offers weekly curbside recycling to all customers in the District. Drop-off centers in Green Forest and Berryville are open 24/7 and Eureka Springs is open 8am to 4pm Monday through Friday.

List cities, towns or communities in your district that do NOT have curbside recycling and the reason. n/a

3. Districts will encourage the development and implementation of public venue/special event recycling programs. Districts will offer guidance for best management practices, education assistance and information, along with collection and marketing strategies for public venue facilities and special events:

List public venue/special events conducted that participated in recycling programs.

- CCRSWMD has a mobile Recycle Classroom that goes to area schools and businesses to teach about recycling. See attached sheet from website.

List any future events that you plan to encourage recycling:

D. SPECIAL RECOVERABLE MATERIALS

1. Encourage your district to exercise due diligence in the selection, use and operation of recycling and disposal facilities:

List action taken by your district to encourage the use and operation of recycling and disposal facilities.

- CCRSWMD has a mobile Recycle Classroom that goes to area schools and businesses to teach about recycling.
- Facebook
- Website: [www.carrollcountysolidwaste.com](http://www.carrollcountysolidwaste.com)

2. Develop an illegal dump program that provides additional resources to identify and remediate illegal dumps, while providing education and enforcement to prevent future dumping:

Does the District have an illegal dump program? Yes

What steps are taken to prevent future dumping? Education, yearly county-wide cleanups, licensing small haulers

What additional resources are used to identify and remediate illegal dumps?

- CCRSWMD has 2 on staff Illegal Dumps Officers licensed through ADEQ. They will pursue all means available to them to determine person(s) responsible and they have partnered with local officials to prosecute if necessary.

Does the District employ or partner with a county within the District that employs an illegal dumps control officer? See above answer

E. EDUCATION AND PUBLIC PARTICIPATION

1. Every regional solid waste management district should have an updated, accurate website (or webpages on a partner's website) that provides citizens easy-to-use access to information about recycling, composting, waste reduction and waste management services in their communities:

List your district's website address.

[www.carrollcountysolidwaste.com](http://www.carrollcountysolidwaste.com)

List address of any partner's website that contains information about your district's services.

[City of Berryville website](#)

Information should include which materials are accepted, days and hours of operation, physical location, how materials are collected/accepted and contact information for further questions. The districts are to ensure that city and county recycling/diversion programs are financially sustainable and are using best management practices:

- [See attached Recycle page from website](#)

2. Districts should develop partnerships within communities to improve information dissemination. Solid waste districts and individual waste management entities (cities, counties, designated recycling collection centers, etc.) should use social media to increase awareness of waste management methods and opportunities.

List social media and methods you use to provide information to the public.

- [Facebook](#)

List partnerships formed with the District.

List examples of social media utilized.

F. EXECUTIVE SUMMARY

1. Provide a brief summary of other goals the District would like to implement over the next year.  
CCRSWMD has applied and been approved for an Individual Transfer Station permit to accomodate the increase in solid waste received.
2. List suggestions, ideas, or successful programs initiated in your district.  
Continue to expand the Recycle Program to the County.  
Continue to clean up illegal Dumps in Carroll County
2. List any future goals.

G. SOLID WASTE PLAN INFORMATION

1. List or attach you RSWMD board meeting schedule. What media do you use for public notice?
  - First month following each quarter
  - Local Newspaper
2. Please list the names of landfills located in your district:
  - n/a
3. Please list compost facilities in your district and their location:
  - Eureka Springs Compost Facility
4. Please list any material recoverable facility your district has and their name and location:  
CCRSWMD Recycle Center, 3190 E Van Buren, Eureka Springs, AR 72632

**H. Waste Haulers**

**SUBMITTED TO ADEQ FEBRUARY 22, 2023**

Under Reg. 22.202, and Reg. 11.202 (A)(2) "who is transporting solid waste generated within the State that is to be disposed out of the State":

- 1. How many waste haulers were licensed in the district during 2019? \_\_\_\_\_
- 2. How many of your licensed haulers renewed or will likely renew for 2020? \_\_\_\_\_
- 3. How many waste haulers were disposing of waste outside of the district? \_\_\_\_\_
- 4. How many of your licensed haulers transport waste or other materials out of state \_\_\_\_\_

Please provide information regarding the haulers who dispose out of state in the table below:

Business Name	Contact Name	Address	Telephone Number
<i>See following submitted 2/22/23</i>			

**Reviewed and Approved:**

  
\_\_\_\_\_  
Date 12/17/24

**RSWMD Board Chairman**  
  
\_\_\_\_\_  
Date 12-17-24

**RSWMD Director**

**ENVIRONMENTAL  
QUALITY**

**OFFICE OF LAND RESOURCES,  
SOLID WASTE  
ANNUAL LICENSED SOLID WASTE  
HAULER QUESTIONNAIRE**

**Important – Please return this form by March 1, 2023 - Important**

**ANNUAL QUESTIONNAIRE REGARDING LICENSED WASTE HAULERS**

The purpose of this survey is to provide the Division of Environmental Quality (DEQ) the following information on licensed waste haulers in order to properly identify under A.C.A. § 8-6-721 & APC&EC Rule 22.202 “who is transporting solid waste generated within the State that is to be disposed out of the State”.

Please answer the following questions:

1. How many waste haulers were licensed in the district during 2022? 12
2. How many of your licensed haulers renewed or will likely renew for 2023? 13
3. How many waste haulers were disposing of waste outside of the district? 9
4. Of the out of district haulers, how many dispose of waste out of the State? 5

Please provide information regarding the haulers who dispose out of state in the table below:

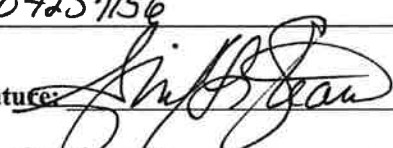

Business Name	Contact Name	Address	Telephone Number
2 Boyz	Samantha Snyder	11420 Haftman Lane Omaha, AR 72662	417-332-7267
Haul it Off	Jason Huskey	PO Box 304 Blue Eye, Mo 65611	417-294-0236
Mo-Ark Disposal	Teri Shorter	28972 Cumberland Rd Shell Knob, Mo 65747	417-319-6282
Republic Services	Padmaja Pendurthi	2115 W. Bennett St. Springfield Mo 65807	417-268-1241
Trash Out Express	Terry Burgess	30889 State Hwy 37 Seligman, Mo 65745	417-662-3737

(Please use additional sheets, if necessary)
